Mr Josef Schmied  
A-8413 St Georgen  
Haslach 52  
Austria

Dear Mr Schmied

Thank you for your letter of 22 March concerning your Scorpio Rake System.

I would confirm that the rake is a movable obstruction (Rule 24-1) and the tube in which the rake handle is placed is an immovable obstruction (Rule 24-2). It is up to individual Committees to decide whether to use your System or not, however, you may find the wording of Decision Misc./2 (copy enclosed) of interest.

I hope these comments are of assistance.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'A. Bunker'.
